

10' G5 RETRACTA-BELT® PRIME Stanchion

Cement Base | **MODEL P100/P101**

PRIME Value Without Compromise

The P100 PRIME Stanchion with G5 **RETRACTA-BELT®** technology combines affordability and performance, making it the ideal choice for budget-conscious businesses. Available in a variety of finishes and belt colors, the P100 Series ensures clear guidance, seamless queue management and an easy match to any decor. The **STAYstraight®** technology built into its cement base provides exceptional stability, ensuring reliable performance in medium-traffic areas. The perfect balance of affordability, durability, and functionality.

Features

- **Compact Shipping:** 2 posts per box.
- **Ships Knocked-Down:** saves on freight.
- **Easy Assembly:** no tools required
- **Easily Attach Signs and Accessories** with universal adapter cones.

10' Belt

Universal Belt End
works with most stanchions.

Integrated Automatic Lock
with quick release button.

Strong and Slow Belt Brake: made with **E-Z Back®** Technology for safety.

Steel, Aluminum, or Stainless Steel Post: for durability and strength.

Exclusive STAYstraight Technology: Innovative and self-straightening, keeps posts upright and prevents leaning.

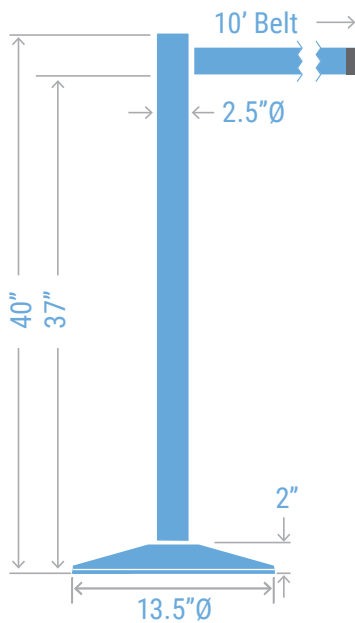

High Density Cement Base with Cover: Bases come with either scuff resistant, weatherproof black ABS casing (Model P101) or matching metal cover (Model P100).

Integrated Rubber Floor Protectors: ensure durable long lasting floor scuff protection.

*Only aluminum finish models recommended for outdoor use.
